

**FOR IMMEDIATE RELEASE**

## **Wheels Clipper Once Again Awarded Top 3PL Status** **Inbound Logistics and Food Logistics rankings recognize best-in-class services of Wheels**

**Toronto, Canada — August 22, 2009 — Wheels Group of Companies** today announced that Wheels Clipper has once again been selected as one of North America's Top 100 third-party logistics (3PL) providers by Inbound Logistics Magazine. The company has earned the ranking for four years straight, adding to an impressive array of awards including this year's ranking as a Top 70 3PL by Food Logistics Magazine.

*"Four years of recognition from a trusted industry publication, and now an industry-specific recognition of excellence by Food Logistics supports our ongoing efforts to provide our clients with the highest level of customer service and satisfaction" says Peter Jamieson, Chief Operating Officer, Wheels Group. "The Wheels Clipper team is proud to be named among the best in the industry. This recognition reassures customers seeking the very best value in the current economy. They need to be confident that their 3PL services will be provided on time, on budget, and at a superior level. Wheels Clipper is proud to be recognized for our leading performance, solid track record, and customer focused solutions."*

Recognition for the superior quality of services provided by Wheels Clipper has also come from Food Logistics Magazine, who has named Wheels Clipper to its Top 70 3PL list this year. Selected by editorial staff, the list comprises companies helping food companies optimize warehousing and transportation operations to reduce costs, increase flexibility and improve service levels.

Wheels Clipper has received numerous industry awards in the recent past, including the prestigious **2007 Ryder Carrier Quality Award**, recognizing it as Carrier of the Year for Intermodal service. Since 1997, Wheels Group has been named one of **Canada's 50 Best Managed Private Companies** every year, and since 2003 has been one of a select group of members in the 50 Best Platinum Club for management excellence. The company has also been included among the 36 Top 3PLs by Logistics Quarterly magazine.

### **About Wheels Group**

Wheels Group provides innovative supply chain products, services and information technologies that deliver leading-edge, value-added business solutions. The company serves an international client base through four divisions: Wheels Group, which provides the company's shared services and strategic vision; Wheels Clipper, a third-party logistics provider with 90 years of combined experience and Wheels Global, which provides a full range of freight forwarding services. Through these offerings the company applies a forward thinking approach to supply chain management that optimizes business results and creates long-term value for customers.
