

## INTERMODAL, HIGHWAY AND CROSS BORDER TRANSPORTATION

**Optimize your supply chain and improve business efficiency** with our expertise in domestic and international air, land and sea transportation services. With 90 years of combined experience—20 years in our Canadian division and 70 in our U.S. division—Wheels Clipper brings a wide range of asset and non-asset based third-party logistics services to your business:

### WHY CHOOSE WHEELS CLIPPER?

**Because service is important to you.**

- 98.5% on-time delivery
- Proactive tracking (email/online)
- After hours support
- Customized service
- Adaptation of your order process
- Continuous improvement program
- Non-conformance reporting

**Because cost efficiencies are a top priority.**

- Load consolidation
- Mode selection
- Process improvement
- Supply chain optimization
- Less time with fewer mistakes

**Because convenience makes your job easier.**

- “Do it all in just one call” – we help with no transfers
- Order shipments by phone/fax/email
- We handle the details:
  - Mode selection
  - Equipment sourcing
  - Tracking/tracing (email/fax)
  - Efficient administration

**Because you want a greener supply chain.**

As an EPA Smartway Transportation Partner, Wheels Clipper is proud to help you achieve a greener supply chain through our efforts to:

- Improve fuel efficiency
- Reduce environmental footprint
- Reduce energy consumption
- Demonstrate environmental responsibility

### Leading, one-stop integrated highway, intermodal rail and boxcars, TL and partials, and warehousing services
