

Wheels Group acquires Clipper Group, USA - June 15, 2006

The corporate headquarters of Wheels Group in Toronto proudly announces the acquisition of Clipper Group, a USA 3PL (third party logistics) firm based out of Chicago, IL. A transportation and logistics service provider since 1938, Clipper currently specializes in domestic dry and temperature controlled intermodal and truckload logistics throughout the USA.

Doug Tozer, CEO of the Wheels Group explains, "Though the acquisition immediately increases our total revenue by 75%, the subsequent benefits to our clients are even more significant. A stronger U.S. presence, increased coverage and leveraged buying power, will grow our business exponentially to further enhance our capabilities as a North American logistics provider with international reach."

The Wheels Group leverages the capabilities and strengths of each member company to identify change, challenge and opportunity in the logistics industry. Since 1997, Wheels Group has been recognized annually as one of Canada's 50 Best Managed Companies. In 2003, they became one of seventeen Canadian companies inducted into the "50 Best Platinum Club" for management excellence.
